

**European Federation of
Immunological Societies**

Symposium

Establishment of an EFIS-IL Study Group on „**Tumor immune escape and resistance (TIMER)**“ to build up an European Network

(An event arranged by the tumor immunology working group, subordinated to the German Society for Immunology, DGfI)

October 08th – 09th 2019

**Martin Luther University
Halle-Wittenberg
Institute of Medical Immunology
Prof. Dr. Barbara Seliger**

Program Tuesday, 8th of October 2019:

Venue:

Martin Luther University
Steintor Campus
Adam-Kuckhoff-Str. 35, 06108 Halle
Lecture Hall I

09.00 – 09.10 a.m.

Barbara Seliger (Halle, GER)

Welcome and Introduction

09.10 – 10.00 a.m.

Lorenzo Galluzzi (Paris, FRA)

NK cells beat T cells at breast cancer control

10.00 – 10.40 a.m.

Stipan Jonjic (Rijeka, HRV)

Major players in brain inflammation and pathology in mouse model of congenital CMV infection

10.40 – 11.00 a.m.

proffered paper

11.00 – 11.20 a.m. coffee break

11.20 – 12.00 a.m.

Federico Garrido (Granada, ESP)

Cancer Immune Escape: MHC expression in primary tumors versus metastasis

12.00 – 12.40 p.m.

Ofer Mandelboim (Tel Aviv, ISR)

TIGIT and its cellular and bacterial ligands: new immune evasion mechanisms

12.40 – 01.00 p.m.

proffered paper

01.00 – 02.00 p.m. lunch break

02.00 – 02.40 p.m.

Robbert Spaapen (Amsterdam, NLD)

The glycosphingolipid repertoire orchestrates HLA class I-mediated immune responses

02.40 – 03.20 p.m.

Marina Kreutz (Regensburg, GER)

Lactate-a metabolic checkpoint in the tumor environment

03.20 – 04.00 p.m.

Andreas Lundqvist (Stockholm, SWE)

CD73 immune checkpoint defines inducible regulatory NK cells in the tumor microenvironment

04.00 – 04.20 p.m.

proffered paper

Program Wednesday, 9th of October 2019:

Venue:

Martin Luther University
Steintor Campus
Adam-Kuckhoff-Str. 35, 06108 Halle
Lecture Hall I

09.30 – 10.10 a.m.

Barbara Seliger (Halle, GER)

Role of immune modulatory molecules for
resistance of tumors to immunotherapies

10.10 – 10.50 a.m.

Viktor Umansky (Mannheim, GER)

Targeting of immunosuppression induced by MDSC in the tumor

10.50 – 11.10 a.m.

proffered paper

11.10 – 11.30 a.m. coffee break

11.30 – 12.10 p.m.

Jörg Wischhusen (Würzburg, GER)

Mechanisms for tissue protection and regeneration – essential for reproduction and wound healing,
detrimental in cancer

12.10 – 12.50 a.m.

Per Thor Straten (Herlev, DK)

The exercise of TAMing the immune system

12.50 – 01.10 p.m.

proffered paper

01.10 – 02.10 p.m. lunch break

02.10 – 02.50 p.m.

Daniel Speiser (Lausanne, CH)

Cancer cell-intrinsic and –extrinsic pathways of immune resistance

02.50 – 03.30 p.m.

Constantin Baxevanis (Athens, GRC)

Primary immune resistance in breast cancer patients as a result of strong endogenous intratumoral
immunity

03.30 – 03.50 p.m.

proffered paper

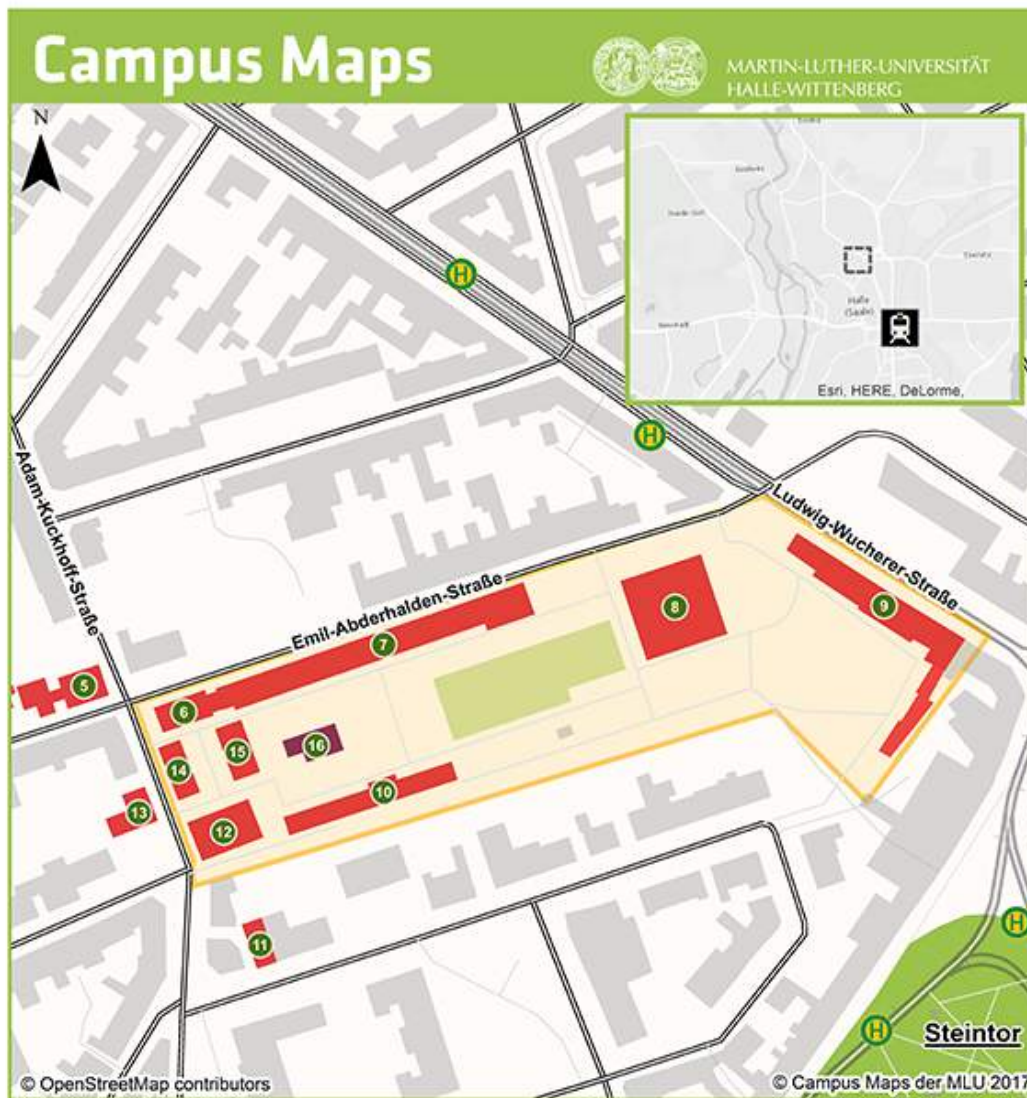

03.50 – 04.00 p.m.

Summary and Discussion

European Federation of

Public transport

For those, who will arrive by plane at Leipzig/Halle airport: A public train service is available from the airport Leipzig/Halle to Halle main train station (every 15 minutes, 4,90 EUR per single ticket). For the people, who will travel by train, please leave at Halle main train station (Hauptbahnhof). From the main train station in Halle you can take the trams no. 2, 5 or 12, direction **Soltauer Straße, Weinberg Campus** or **Trotha**. The 3rd stop is called "Am Steintor". Here you will find the venue. It is located 5 minutes away from the tram stop.

In general, please see the attached map: venue, hotel and main train station are very close together. All points are reachable on foot, but of course you can take a taxi if you feel unsure.

Taxi: +49 (0)345-5606222

Parking information

Pay parking facilities are located next to the Steintor-Variété (in the area of the "Steintorpalais") or in the surrounding streets.

Registration fee

150 EUR -- (post-doc, scientists, clinicians) payable via transfer until 2019, 04th of October or cash at the registration desk.

250 EUR -- industry

MLU members will be charged for 75 EUR; Bachelor/ Master students are for free. (Please bring in your MLU/UKH ID card!)

Bank name: Deutsche Apotheker- und Aerztebank

IBAN: DE46300606011008814171

SWIFT code: DAAEDED

reason for payment: name, reg. fee EFIS 2019
